BREAKING NEWS & URGENT APPEAL: WE ARE ON OUR WAY TO COURT

Legal history is about to be made in South Africa. YOU can be part of it.

DignitySA's Applicant #2 Advocate Robin Stransham-Ford is, with the assistance of our brilliant legal team, launching an application for the right to an assisted death.

Due to the severity of Robin's ill health (he is, sadly, weeks away from death) the matter is being treated as urgent and will be issued and served this week, with the case likely to be heard on **29 April 2015**.
